

TWINKLE TIME

TWINKLE TIME: A HIGH ENERGY, EDUCATIONAL, BILINGUAL POP MUSIC SHOW EXPERIENCE FOR FAMILIES AND KIDS OF ALL AGES

Into the bright and colorful world of children's entertainment shoots Twinkle, a sparkling star who makes children everywhere laugh and learn through the universal language of music! Straight from the heart of Twinkle herself comes *Twinkle Time*, a bilingual English/Spanish show that fuses education, language, arts, and pop culture into the hottest kids' phenomenon to hit the scene. What scene is that you ask? Just think of the most awesome scene you have ever seen in your life and multiply it by infinity! (You can take a moment or two to do the math. No calculators please.) Twinkle teaches her colorful cast of friends (and subsequently the audience) about core values like kindness, empathy, self-worth, and respect for others through all-original music –(*musica bilingue.*)

Raised speaking only Spanish until the age of three, *La Peruanita* Twinkle thinks knowing more than one language is super cool! She also knows a lot of kids resist speaking their first language once they master English. Twinkle sprinkles Spanish words and phrases throughout her English-language songs as well as sings a few tunes solely *en Español*. Whether you're a native or novice speaker, Twinkle encourages EVERYONE to learn and practice Spanish!

So are you ready? Twinkle and her friends provide a safe and fun environment in which children can learn and grow through catchy, hummable pop tunes that get everyone "Movin' and Groovin," – even parents and teachers. (Yes, we can see you back there shakin' your booty to the beat. It's cool.) Get ready to Blink 3 Times because it's *Twinkle Time!*

Character Building/Music Appreciation

“Its Ok 2 Be Me” - “A Mi Me Gusta Ser Yo”

Every child struggles with self-confidence at one time or another. By refusing to be just like everybody else, Twinkle honors her “crazy, goofy, mix-matched” style and personality. In doing so, she not only shows us it is more than okay to be the unique individuals we all are, but also teaches us to embrace diversity in others!

“Team”

Teamwork doesn't always come easy to kids. In this song, Twinkle teaches us all that when we all work together as a team, there is no limit to what we can accomplish!

“Best Friends”- “Amigos”

Do you have a best friend? Or two best friends? Or even a million?! “Be nice and break the ice” by bringing them along to dance with you in this song that celebrates kindness and friendship!

“Dream Big”

Think back to your favorite childhood dream. (No, not the one where you are riding on top of a giant Chihuahua flying over a rainbow.) Get ready to rock out to this anthem about working hard to become something you really, really want to be!

“The Big 3R's”

Do you know what the big three R's are? You will! Bob your head to the beat as Twinkle teaches everyone that being “Responsible, Respectful, and Ready To Learn” can be a lot more fun than being mean to each other.

“Super Hero”

Fear and self-doubt can be synonymous with growing up. Twinkle shares a little secret with everyone when she reveals that the key to overcoming our fears lies in facing them head-on. Suit up, Super Hero. Your destiny awaits!

“Cleanin Machine”

Arguably every parent’s favorite song, this catchy tune makes everyone want to get up and clean up all at once! **Vamos a limpiar!**

“L-O-V-E”

We all have favorite things we say we love, like rainbows, basketballs and books. Twinkle believes the most important love is the kind we show our friends and family! Wave your hands in the air to this pure pop party about something there can never be too much of in the world. Group hug!

“Made In The USA”

Most children can name the state where they live, but memorizing all 50 in alphabetical order definitely poses a challenge. This award-winning rock song is actually a mnemonic device in disguise! It’s also peppered with fun facts everyone will enjoy!

“Move and Groove” – “Todos A Bailar”

Who’s ready to just cut loose and shake that booty?! Twinkle and Friends teach music and dance appreciation in this addicting tune. Put your listening ears on, because whatever Twinkle does, you have to do during this interactive dance-off!
